Oral Interaction Instructions

Using the functional language, take turns to start discussing the contents of each SEE IT organizer you have filled.

You may add or change information to your SEE IT organizer.

Additional questions when finished:

- ✓ Which partner(s) came up with the best personal definitions?
  Explain what made them the best definitions.

- ✓ Which partner(s) came up with the best examples?
  Explain what made them the best examples.

- ✓ Which partner(s) came up with the best illustrations?
  Explain what made them the best illustrations.

- ✓ The game contained X Easter eggs (bonus material that is hidden in the game).
  Discuss the content of the Easter eggs, if you found them!

Functional Language: Considering other people's understanding

Ask for details:
- I thought you were going to say that…
- You could also say that…
- What made you…?
- Can you explain
- Can you tell us more
- Can you elaborate?
- Where did you get this idea?

Ask for clarification:
- I'd like to hear more about…
- Can you repeat why you…
- Did I understand correctly?
- If I understand, you think that… am I right?

Bring up new ideas or aspects:
- I was thinking the same, but I have also considered…
- Have you considered…?
- Do you think it's also possible that…?
- Is there another way to illustrate this?
- Can we come up with other examples?

Clarifying and explaining meaning:
- In the text it says that…
- This passage makes me think about…
- For me, this means, this is like…
- In my head I saw it like…
- I think we can compare this to…
