

## Script 2

# Inspiring Wall of Fame

Hi guys, thanks for accepting my invitation.

So, last summer, I was lucky enough to walk on the Hollywood Walk of Fame in California. You know, that famous sidewalk with stars on it?

Each star on the sidewalk is a monument to the achievement of a person in the world of arts.

When I came back to school, I saw some pretty empty walls in the corridors, and I thought: "What if we had a Wall of Fame?". Except that instead of commemorating the achievements of artists, we would celebrate people who can inspire the students in the school?

As I was doing my research for this project, I discovered this interesting definition on the Biography Online website. Take the time to read it.

**Inspirational:** To offer something positively valuable, long-lasting and uplifting that motivates others to bring out the best in themselves.

To be inspirational is to lead by example and encourage others to feel there is something worthwhile to become and do.

So? What do you say? Do you think you can come up with a list of 10 famous people that can positively inspire students?
