

Model for Planning

Elements from the current event:	Represented in my story by:	Can warn against or symbolize:
<p>Australian mega fires.</p> <p>Experts say, because of global warming, megafires can come back every year in Australia.</p>	<p>Eternal mega fire -even rain can't stop it.</p> <p>Setting: Australia</p>	<p>Climate change or global warming</p>
<p>Billions of animals died. +</p> <p>People who hope and try to make things better or try to save the world.</p>	<p>Group of people want to save the remaining animals. -Anagus -Will do anything to save nature. Good things / Bad things.</p>	<p>Environmental Activists</p>
<p>Many people are traumatized by the fires.</p> <p><i>"Many people experience mental trauma from the experience of emergency evacuation and losing homes, pets, belongings, livestock or other sources of livelihoods. Some communities found themselves unable to evacuate quickly. Some were forced to seek safety on beaches and on boats, sheltering children overnight. Such experiences can have lasting mental health impacts across affected communities."</i></p>	<p>Group of people unable to evacuate -Left for Dead (LFs) -Will do everything they can to survive. Good things / Bad things.</p>	<p>Traumatized people surviving people migrants how people react in challenging situations.</p>
