C1 and C2 - Interact Orally and Reinvests Understanding of Texts

Unit: Where Reality and Fiction Meet

Select the description that best fits performance.

Participation in oral interaction *Interacted orally to validate interpretation.*	*You interacted throughout the discussion to validate **everyones**' interpretation of featured symbols.*	*You interacted throughout the discussion to validate **your** interpretation of featured symbols.*	*You sometimes interacted to validate interpretation of symbols .*	*You only interacted when people asked questions. **OR** just gave answers that did not help validate interpretation.*	*You often spoke another language than English. What you said was inappropriate or irrelevant.*
Evidence of understanding of texts *Formulated responses revealed understanding of symbols.*	*Your answers were clear evidence of your understanding. Or The way you validated other students' answers was clear evidence of your understanding*	*Most of your answers were clear evidence of your understanding. Or The way you validated other students' answers showed adequate understanding*	*Most of your answers showed some evidence of your understanding. Or The way you validated other students' answers showed limited understanding*	*Your answers showed incomplete understanding. OR You were unable to validate other students' answers.*	*You did not provide the majority of answers. Or Your validations were repetitive, incomplete or could apply to any topic by saying things like: "It's a good idea.*
