HC CAR GO

”Becoming an HC-CARGO supplier is not that easy. They have to fulfil a long list of preconditions and need to be DIN EN ISO 9001 certified. Last but not least they have to convince me. Together with the quality department I visit our suppliers and test them intensively before they deliver the first products.”
Martin, Purchasing Manager

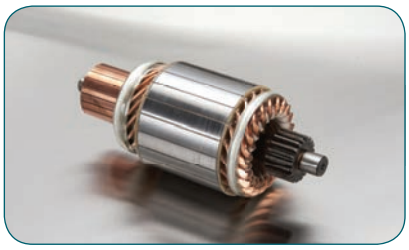
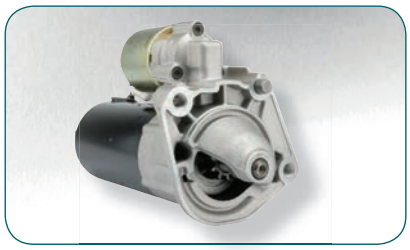
Our Alternators and Starters – Your First Choice

Now, this catalogue contains more than 3,100 part numbers for all makes applications.

The HC-CARGO program covers a wide range of units for passenger cars, light- and heavy commercial vehicles, industrial, agricultural, marine, sport- and outdoor equipment applications. All units are sold outright.



This catalogue has been extended with more than 400 new part numbers compared to the previous catalogue, which brings the program coverage to a market leading position for outright units.



Predominantly, the program consists of new units, however in exceptional cases the units may be remanufactured.
Remanufactured units will not be supplied to countries where import of remanufactured units is not allowed.

Our Spare Parts for Alternators and Starters – All You Need

In our alternator and starter components catalogues we offer a comprehensive range of spare parts. We cover virtually all you require to get your vehicle running.

You will find all you need in:

- Rotors
- Stators
- Regulators
- Rectifiers
- Brush Sets
- Pulleys
- Drives/Clutches
- Solenoids
- Armatures
- Etc.

Our engineers test the spare parts thoroughly in terms of best interaction, perfect fit and easy installation, before the products are sourced. In this way, we continuously ensure high quality.

Our Product Range - Your Customer Satisfaction

Most spare part dealers offer only specialized programs. We have decided to have a broad product range to meet the demands of workshops in the best possible way. At HC-CARGO, you can get all products from a single source.

The HC-CARGO product range is broad in many ways. Firstly, it is broad in function as you will find all the electrical parts you need to repair vehicles. From spare parts for starters and alternators to the units themselves, A/C compressors, lighting products and many other auto-electrical spare parts.

Secondly, it is broad in applications. Whether for passenger cars, commercial vehicles, agricultural machinery or marine applications you will find the right product at HC-CARGO. The conventional workshop will find just as much as the big remanufacturer.
