APPENDIX 2

DETAILED LIMITED WARRANTY TERMS

SEPTEMBER 2017

Appendix 2

Detailed Limited Warranty Terms

Electric Propulsion System

The Electric Propulsion System Warranty covers failures of the parts which result, under normal use and service, from a defect in material or factory workmanship (Warrantable Failure). This Coverage is for five years or 160,000 kilometers (100,000 miles), whichever occurs first.

On-Board Charger System

The On-Board Charger System Warranty covers failures of the parts which result, under normal use and service, from a defect in material or factory workmanship (Warrantable Failure). This Coverage is for one year, unlimited kilometers / miles.

Battery Modules

The Battery Module Warranty covers failures of the parts which result, under normal use and service, from a defect in material or factory workmanship (Warrantable Failure). This Coverage is for a period of 8 years, 192,000km / 119,300miles or 160,000kWh, whichever occurs first. Guaranteed battery capacity of 65% of initial range at all times during the warranty period.
