# **Park 'N View**

## **For T2000 With 75 in. Sleeper**

### **and**

## **T600, T800, W900,**

### **With 62 in. 72 in. and 86 in. AEROCAB**

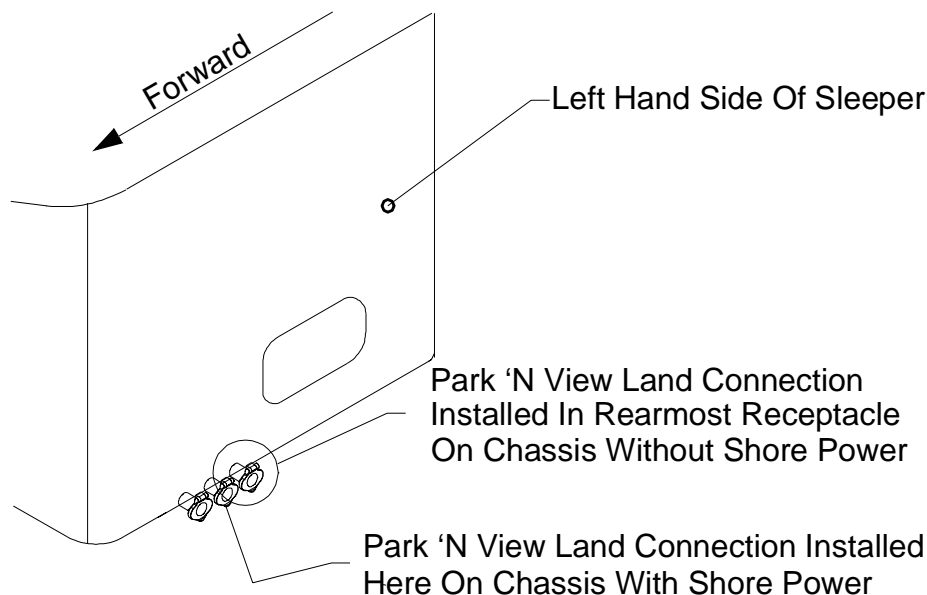

This Kenworth option is designed to work with the Park 'N View service provided by PNV Inc. At selected truckstops nation wide, the following are provided through the yellow "home plate" terminals:

- Telephone Service
- Selected Television Cable Channels
- Internet Access

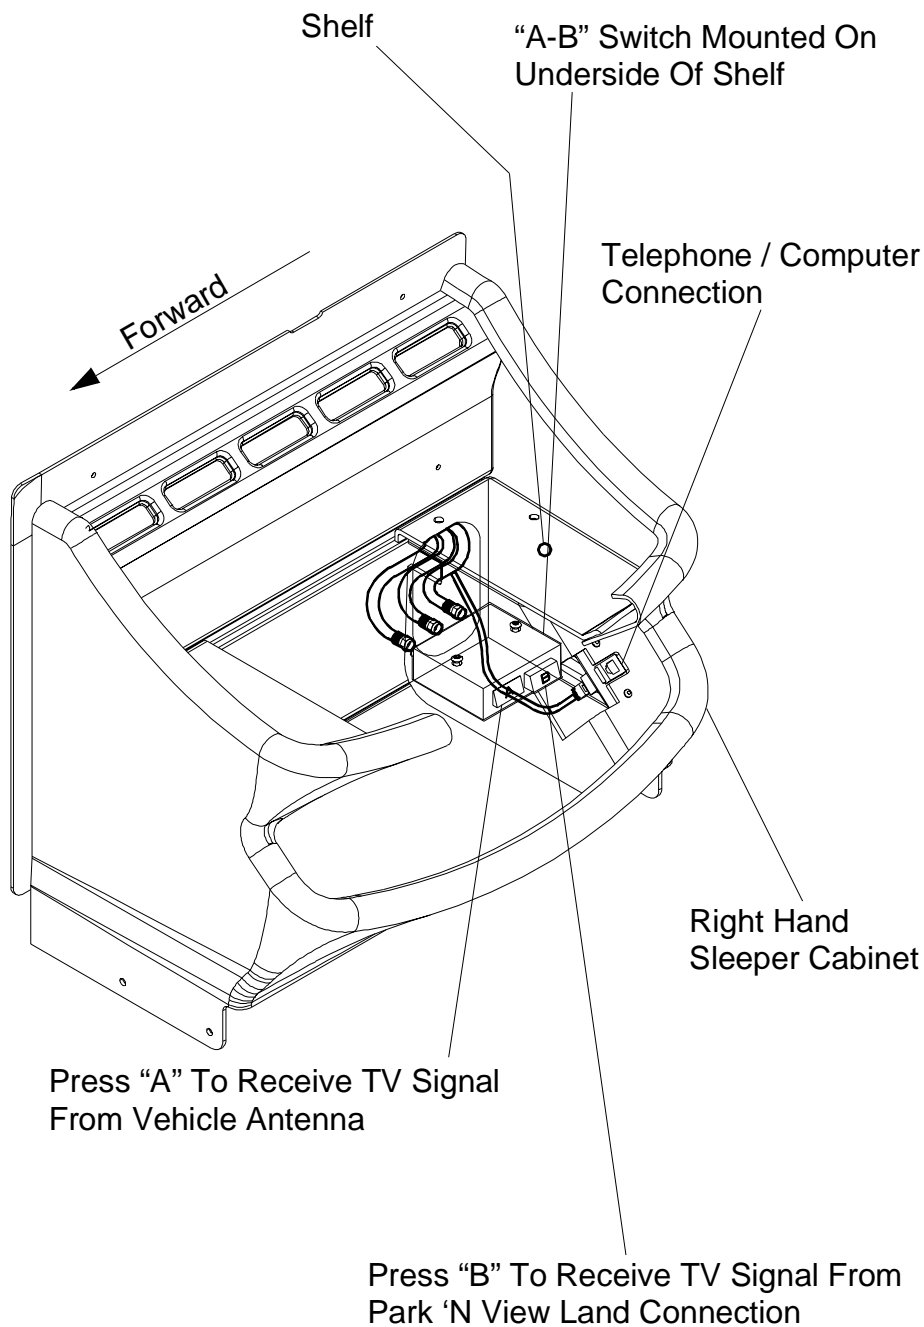

The Kenworth provided wiring eliminates the need to run the coaxial and phone cables through your window. Plug these cables into the weather-proof receptacle on the sleeper and use the TV and phone jacks in the sleeper.

### **All Models - External Plug Location**

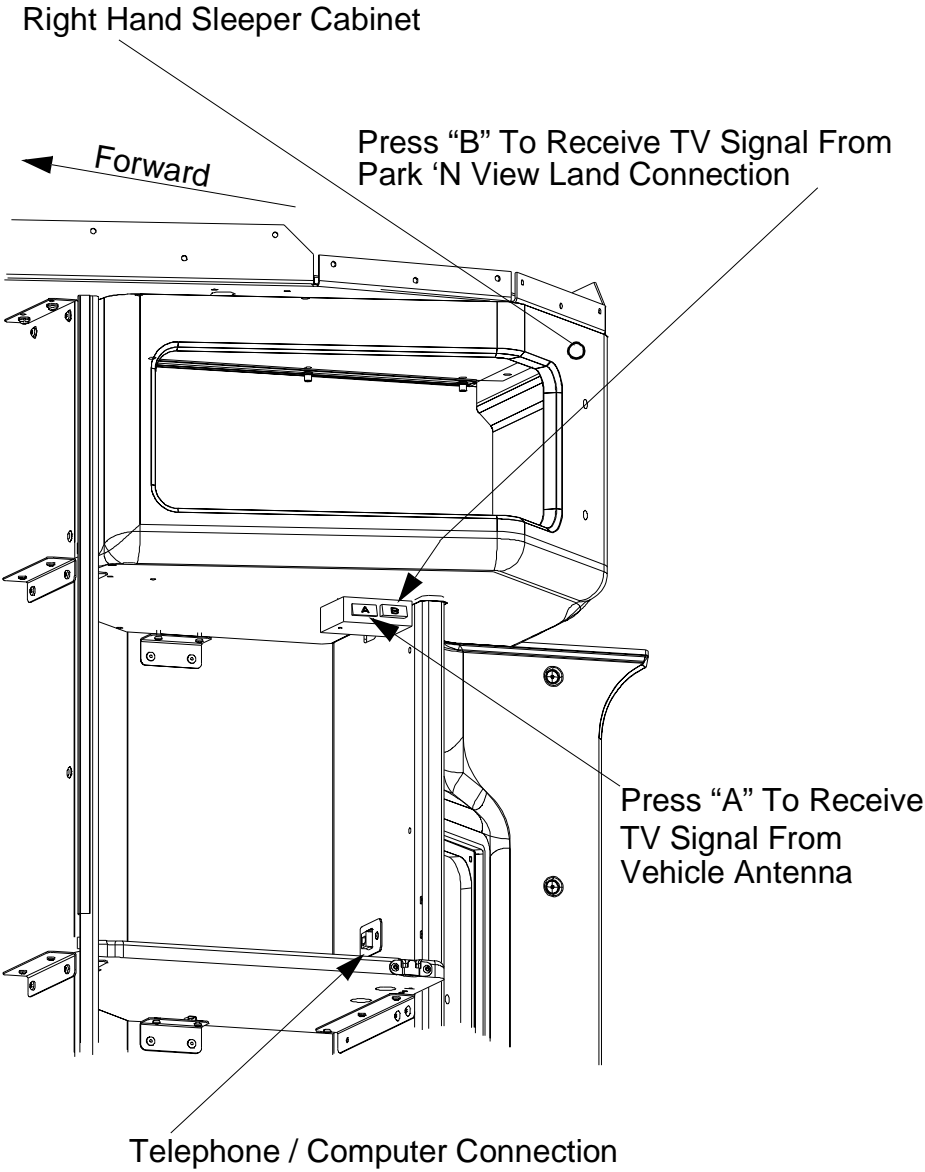

*Note: Coaxial cable connection at external plug is push-to-connect.*
